

# How to Write a Paragraph

## 1. Chose a topic

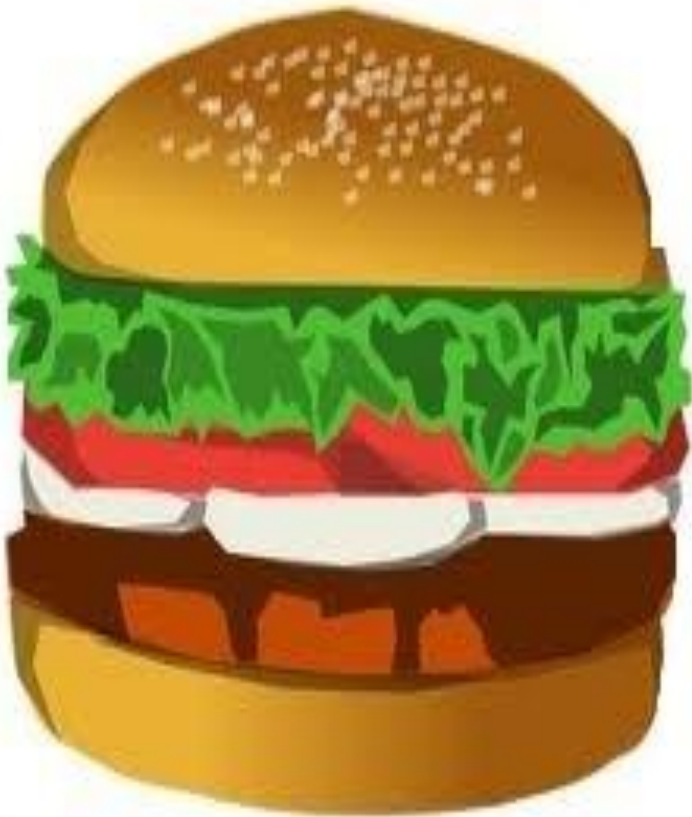

## 2. Brainstorm the topic

- what?
- where?
- when?
- why?
- how?
- who?

## 3. Decide on the type of paragraph

- **exposition**: to explain or convince
- **description**: describing someone or something
- **narration**: a story

## 4. Use the hamburger to construct your paragraph

### Topic Sentence:

- Clearly state what you are writing about

### Details:

- Use your brainstorm ideas to make sentences
- **Unity**: sentences must all be about your topic
- **Coherence**: sentences must follow a logical order  $\Rightarrow$  time order, order of importance or position order or similar and different

### Conclusion:

- Sum things up or state the topic in a different way
